**Subject:** PSC Letter Re Duke Energy - Greenville County Councilman Support of SC Electric Vehicle Pilots

The Honorable Jocelyn G. Boyd, Chief Clerk/Administrator  
The Public Service Commission of South Carolina

Dear Ms Boyd,

I am submitting (attached) my letter in support of the proposed Duke Energy Pilot Deployments in South Carolina.

Greenville County received recently a FHWA grant to deploy Automated Electric Shuttles (A-Taxis) in 3 districts in Greenville (CU-ICAR, Verdae, and Parker). Our project would benefit greatly from having more EV shuttles and EV charging infrastructure in our designated deployment areas.

All the Duke Energy users will benefit from this increasingly important technology.

Best wishes!

Fred Payne

Greenville County Council
